THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Woodstock in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Woodstock on Tuesday, the eighth (8th) day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.
3. To see if the town will vote to authorize the selectmen to hire such sums of money as may be necessary to pay town charges.
4. To see how much money the town will raise and appropriate for highways.
5. To see how much money the town will vote to raise and appropriate for Trunk Line maintenance, State Aid maintenance and State Aid construction.
6. To see how much money the town will vote to raise and appropriate for Memorial Day.
7. To see how much money the town will vote to raise and appropriate for libraries.
8. To see if the town will vote to raise a sum of money for the purpose of clearing snow from sidewalks.
9. To see if the town will vote to compel persons who sell milk in this town to have their cows tested for Tuberculosis according to law.
10. To see if the town will vote to raise a sum of money for the upkeep and improvement of Soldiers Park.
11. To see if the town will vote to observe a Gala-day between the 1st and 15th of August, 1927, and make appropriation for the same.

12. To see if the town will vote to move the library from the school building in North Woodstock to the vacant room in the Precinct building.

13. To see if the town will vote to hire a policeman and make appropriation for the same.

14. To see if the town will vote to grant a Subsidiary Light & Power Co. to The Utilities Power Co. of Meredith, N. H. a franchise to erect poles and string wires in the highways of the town for the purpose of distributing Electric Energy.

15. To see if the town will vote to grant a franchise to a local firm or Light and Power Co., that may be organized for the purpose of distributing Electric Energy.

16. To see if the town will vote to sell and convey its street light pole line to such Light and Power Co. as may be granted a franchise to distribute electric energy in the town.

17. To see if the town will vote to authorize the selectmen to lay out a public highway around such a part of Mirror Lake as designated by Mr. Harry D. Emmons, and accept a proposition made by the said Emmons in relation to the same.

18. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and twenty-seven (1927).

E. E. WOODBURY,

Note—The heaviest load on the water system is during the summer months. The water shed and reservoir is, in our opinion, ample to supply all needs if the water is properly conserved when the heavy load is on. To this end the selectmen installed meters in boarding houses and garages to be read only during the summer months. We believe that the meter system should apply to all users of water during the summer months. Under the flat rate system some patrons are apt to use more than they pay for while others pay for more than they use. The large area logged over soon after the water system was constructed is getting well covered with a forest growth that will be an important factor in holding back rain falls in future years.

AUDITOR'S REPORT

We, the undersigned, auditors for the town of Woodstock, having examined the foregoing accounts of the several town officers, find them correctly cast and properly vouched with the following exceptions incident to the closing of the fiscal year, accounts where check vouchers are not returned but payments being shown as paid by records on check book stubs.

Town Treasurer	\$6,452.56
Precinct Treasurer	38.00
Road Agent, South End	131.54
Police Court account	12.74

We also find that the town clerk has overpaid town treasurer \$25.33 on account of auto permits.

Respectfully submitted,

IRVING E. COX,
H. W. SANBORN,
Auditors.

OLD HOME DAY

Ira E. Hanson, Committee

The Old Home Day celebration in Woodstock was held August 24, 1926, and consisted of an auto parade in the forenoon under the direction of Harry Mellet, headed by the Lincoln band. The parade included the old stage coach that used to run between North Woodstock and the Profile House. The line of march was to Woodstock Center and return, thence through Lincoln village and return to The Alpine House. In the afternoon the following program was rendered in Corliss Theatre Hall.

Prayer Rev. Geo. A. Smith

MAUDE A. BELL,
Treasurer, Finance Committee.

The rest of the money paid for the use of the Band, Old Home Day, which came to \$53.26 more than is mentioned above, was made up with money from selling tags, and from money collected for the Band that had been subscribed. The total cost of our Old Home Day Celebration was \$387.26 of which it cost the town of Woodstock, in all \$165.00, the balance being made up from subscription and tag money, not counting what was given by Mr. Clarence Ryder and Mrs. Ida Clark, as we did not know the exact amount their work came to. We should thank Mrs. B. Orozco for collecting in \$140, Miss R. Smith \$29.00 and Mrs. H. Sawyer \$15, also we should thank the other committee for their kind work.

I. E. HANSON,
President of the Day.

BAND CONCERTS

The following is a list of the subscribers each week for the band concerts that were so much enjoyed by all of us, and we considered them as a big advertisement for the little town of Woodstock, N. H. We had seven band concerts, and two nights there were over 1,000 people on and around the Town Park to hear the music.

IRVING E. COX,
MILDRED G. BASTON,
JAMES C. MUCHMORE,
School Board.

Woodstock, N. H.
February 5, 1927.

SUPERINTENDENT'S REPORT

Mr. Chairman and Members of the School Board:

I hereby submit my eighth annual report of the Woodstock schools.

The schools opened in September with two new teachers in the high school, viz., Hazel Balch to take Miss Huntoon's position in the Commercial Department and George H. Summerville, graduate of the University of New Hampshire, to take Miss Twitchell's place as Headmaster, who resigned to accept a high school critic teacher's position in connection with the Plymouth Normal School. We were very sorry to lose Miss Twitchell but were very fortunate in the choice of the present headmaster.

The teachers in the elementary schools are the same as last year but one less. On account of the small number of pupils at Woodstock, the State Department refused to approve two teachers at that end of the town, hence the grammar school was closed and the pupils in grades 6-8 transported by train to North Woodstock. All teachers are either college or normal school graduates.

The teachers recorded the following visits for the year ending June 30, 1926: 7 by members of the school board, 511 by citizens and others, and 329 by the superintendent of schools.

The school board held thirteen meetings during the year.

The report of the September school census shows 74 boys and 63 girls, or a total of 137 pupils in town between the ages of 5 and 16. Of those, 129 were reported in school September 30th and 4 between 5 and 8, 1 between 8 and 14 and 3 between 14 and 16 were reported as not in school. In other words, we accounted for all the pupils.

The health inspection was made by Ethel F. Sawyer, R.N. of Lincoln. 144 pupils were examined and the reports show 15% with defective vision, 68% with defective teeth, 19% with defective tonsils and 20% unvaccinated. Unless parents make some effort to cor-

rect the defects reported, the examination is of but little value whether made by a physician or a nurse.

The pupils' desks at Woodstock were redressed during the summer vacation and the school yard fence rebuilt.

The 1926 graduating class presented the high school with \$50 toward the purchase of a Rotary Neostyle for use in the Commercial Department. During the summer the machine was purchased and it has proved a very useful piece of apparatus.

Pupils, as a whole, seem to be making satisfactory progress. Some, to be sure, in the upper grades, do not seem to be working up to their capacity, while others, in the first grade in particular, seem immature, that is, the work appears to be too hard in spite of much extra time, effort and drill given by the teachers. Some of them need a little more time in which to grow up to the standards. Standard tests are given as a measure of progress and efficiency. They serve more or less accurately as an educational yardstick by which we may check up the work to see whether or not the pupils are advancing as fast as they should.

New projects are being tried as a part of the high school training. These are mentioned in the headmaster's report which is appended and made a part of this report.

The music has been under the direction of Mrs. S. Louise Benoit of Lincoln. Quite a bit of interest is manifested in this special subject.

Something should be done to the basement ceiling at North Woodstock as the plaster is nearly all off. The urinal in the boys' basement should be changed. A coat of paint would not harm the appearance of the outside of the building. A heavy metal screen should be placed over the chimney to keep the birds out during the summer.

Our schools have been growing in efficiency and may there be a united effort, on the part of all who are interested, by close co-operation to make it possible for a more rapid growth in the future.

Respectfully submitted,

ALONZO J. KNOWLTON,

Supt. of Schools.

HIGH SCHOOL REPORT

Mr. A. J. Knowlton,
Superintendent, Union No. 33,
North Woodstock, N. H.

I hereby make my first annual report of Woodstock High School. The enrollment on September 13, 1926 was thirty-seven—six seniors, eight juniors, twelve sophomores and eleven freshmen. Since the opening of the school, we have lost one pupil and have gained one.

The commercial department is the popular course with a registration of thirty-three pupils, leaving but four for the college preparatory course.

Practically all the pupils have found sufficient extra-curricula activities to keep them busy. Members of the senior class with the help of underclass-men gave a play during the first term. A good sum was realized and favorable criticisms were received. A school paper, "The Profile," was published during the first term and plans have been made for a second issue. The proceeds are to be spent in a prize-speaking contest. At the present time, the language department is working on a French play, "Rosalie," to be given later in the term.

Both boys and girls have enjoyed playing basketball. Those who could not play at the game have been getting experience in the business end of the project. All members of the boys' school team are required to obtain a high standing in their studies if they wish to compete in interscholastic athletics. The large sale of tickets previous to the Plymouth High School game encouraged our first basketball team to work for the best. In the spring, it is hoped that outdoor exercise can be furnished all members of the school through baseball and tennis contests.

Respectfully submitted,

GEORGE H. SUMMERVILLE,
Headmaster.
